About Seth M. R. Jaipuria School, Jagdishpur

An academic institute should stand for dreams, building of character & skills, and defining a person's life. At Jaipuria, we understand that the years that a student spends with us would 'shape or break' that individual, so there is great power and greater responsibility in the hands of the school. The purpose of Seth M. R. Jaipuria School, Jagdishpur is to prepare a new generation of responsible social leaders that will help the world at large, be proactive to meet the global challenges of the 21st century and surpass the realms of the ordinary. The entire value system of the school is driven around innovation, creativity and entrepreneurship. The underlying context is always such that there should be the desire for excellence, zeal to go beyond the regular, and provide for growth and development of individuals and societies in the coming future. We welcome you to experience this magnificence in your city, Jagdishpur!

Message From The Chairman

Global Education
with an Indian Soul

Conventional teaching methods are now relics of the past. India is going through humongous socio-economic and socio-political changes and is poised to become a super power in the next couple of decades. To see her through to this ultimate goal, she will need future citizens who are empowered with the requisite learning. I am pleased to state here that our goals and vision are in total synchronicity with that of our nation and it will be our unstinting endeavor to equip our students with global standards of learning so that our children become the masters of our destiny.

At Jaipuria School, education will go beyond books to instill social consciousness, inclusivity, ethics and an all-round personality with a healthy mind and body. That is the Jaipuria way of life and learning. It is also important for our youth to have cultural consciousness and the ability to appreciate the rich heritage of our visual and performing arts. Jaipuria School will ensure that students from their early years are exposed to and encouraged to appreciate and imbibe visual and performing arts.

I look forward to welcoming you and your child to the Jaipuria family, and firmly believe that you will be proud to be a part of this family.

40+ Activities

I am groomed I am performing

I am taking learning to a new high at Jaipuria. Pinnacle and Crescendo, our inter - Jaipuria sports and cultural meets, help me perform on a bigger stage. Together, me and my friends, we wait for these two big events.

I am part of a family

We strongly believe that whatever a child learns at school is a lot more than academic subjects or school activities. Children are learning about themselves, and about their peers. They are learning about their capabilities, they are learning what it is they have to offer to the world, and they are learning to look up and beyond who they are currently are, to who they can and should become. And this is what we have imbibed in our school song, which is sung at school every day. Our school song is very clear – we are committing to treading the way to camaraderie, giving wings to thoughts, ideas and actions, to being responsible, to carving a niche whilst being humble, to freedom and truth, to doing our best and to making a difference in the world. The melody and words mesmerize and help carry the mission and vision of Jaipurians to the world!

We are the Jaipurians

We have wings, we can fly

Look at the world in the eye

We have a heart that is kind

And a wise open mind

We have hope, we have love

We can rise, up above

Make us strong at the core

Make us ready to explore

Make us worthy of it all

So we may rise, when we fall

We are the Game Changers

We are the Trailblazers

We are the Go-Getters

We are the Wave-Riders

We are the Jaipurians

May we be the change we seek

Give a hand to the weak

Be the friends, our friends deserve

Stand for values, we preserve

Strong in body and in mind

Leave a legacy behind

We are the Game Changers

We are the Trailblazers

We are the Go-getters

We are the Wave-Riders

We are the Jaipurians

We are the Jaipurians

We are the Jaipurians

We are the Jaipurians

And we are the best.
